

## 2nd GENERATION IMPACT PRINTER

# SAMSUNG SRP-275

The SRP-275 is ideal for both POS receipt printing and remote hospitality printing. It is a robust, high performance impact receipt printer which is exceptionally easy to use. Featuring drop-in paper load, selectable auto-cutter and clamshell cover for easy access and maintenance, the SRP-275 is very reliable and prints on plain paper in three widths.

### FEATURES :

- \* Drop & print paper loading
- \* Fast print speed 5.1 LPS
- \* Internal power supply
- \* Built in buzzer alarm
- \* Flexible paper width (57mm, 69mm, 76mm)
- \* 2 color black & red printing
- \* Easy update logos and firmware using Storemaker

### APPLICATIONS :

- \* POS system
- \* Receipts and coupons
- \* Kitchen printer

**PRINTING  
SPEED**

#### **Faster and quieter**

Logic seeking, bi-directional print technology allows higher speed than previous model with much less noise.

**EASY LOAD**

#### **Drop in and print paper loading**

No more feeding rolls through slots or rollers. Just lift and lid, drop in the roll, close the lid and print. Nothing could be easier.

**PAPER ROLL  
SIZE**

#### **Various paper width**

The SRP-275 can easily be made to take different width paper roll sizes saving paper costs. The full width 76mm roll is standard and 69mm or 57mm can be chosen optionally.

#### **Built in power supply**

It helps you arrange easy cabling under the desk and protect your system from unexpected short.

#### **Easy system integration**

Drivers are available for Windows 95/98/ME/NT4.0/XP/2003 server and OPOS. Logo / firmware download helps you use logo efficiently and easily.

#### **Print alarm buzzer**

It is ideally suited to usage in food and beverage preparation areas. In fact, anywhere that information needed to be passed to a remote location. These locations are quite often noisy places so the SRP-275 is fitted with a print alarm buzzer (program option) as standard equipment.
